

## CUSTOM LEATHER HOLDALL FEATURES

Printed on both sides with two pockets inside & made from leather or canvas  
Two size options available small and large with a 10year Guarantee.

Our bags are handmade in London UK.

## MADE FROM THE FINEST MATERIALS

Flexible canvas is used and the finest of soft Italian leathers to ensure your holdall is sturdy, robust and durable. No two bags are the same. All holdalls are made to order, first using one of our Kaci Kit Surface Pattern Designs onto the canvas and then cutting the leather to size. The detail that has gone into this bag both with our surface patterns and manufacturing gives you a quality product with an excellent finish.
